MISS EAST HIGH

ANNE FISHER

Anne Fisher exemplifies vitality, enthusiasm, and scholarship. Since the ninth grade Anne has shown her school spirit as a cheerleader. In the ninth grade she received the award of Distinction in the Latin Tournament. The next year Anne was a member of the Science Club and placed third in East High's Science Fair. She again was a recipient of Distinction in the Latin Tournament. During her junior year Anne won third place in the Shelby County Science Fair. Making the honor roll every six weeks from the seventh through eleventh grade added to Anne's qualifications for membership in the National Honor Society. This past year Anne was elected Girls' Vice-President of the Student Council. She served as co-captain of the cheerleaders and was crowned Football Homecoming Queen. Thus, her interest in East and her capable leadership made Anne Fisher worthy of the title Miss East High.

MR. EAST HIGH

HARRY PHILLIPS

Leadership, honor, and sportsmanship are some of the qualities possessed by Harry Phillips. Harry has been active in school activities since the ninth grade when he was elected Jr. High Boys' Vice-President of the Student Council. As a sophomore, Harry was selected for the Key Club, and was also a member of the Math, Latin, and E Clubs. Harry also found time to participate in football and track, and in his junior year was a member of the District Champion Track Team. The same year he received Honorable Mention in the Latin Tournament. As a senior Harry was elected President of the Student Council and was the recipient of the Optimist Award. He was chosen for the National Honor Society. For his interest and service to East High, Harry Phillips rightly deserved the title Mr. East High.

Faculty members express their education, dedication and loyalty every day. They express their education by teaching patiently and enthusiastically; their dedication by going further to aid a student than is required; and their loyalty by guiding students toward the high ideals of our school and nation. The students of East are very fortunate to have such excellent teachers.

SCIENCE

East High has an excellent Science Department, providing courses in general science, biology, chemistry, and physics. This year's Science Club took an interesting trip to L.S.U. for a tour of the Coastal Studies Institute. Four of East's science students, accompanied by Mrs. Prentice, were invited to present original papers in Knoxville last spring. The excitement of Paris is vividly recaptured in Mr. Knight's face.

Four years of French, Latin, and Spanish offer an understanding of the culture of the countries, in addition to skill in reading and speaking the language. The facilities of modern language labs and filmstrips supplement the conventional teaching methods. Through the study of these languages international interest is fostered at East High.

SENIORS

CO-EDITORS— *Linda Nichols*

Seniors express many emotions throughout the year. It is a year in which the present turns into memories all too soon. It is a year of lasts: football games, Christmas carols in the halls, pep meetings, classes . . . But, it is a year of firsts: the realization of responsibility, college, adulthood. Joy, sorrow, pride, hope, enthusiasm, and expectation are a senior.

SEATED: Frank Mitchell, President. STANDING: Diane Rudner, Secretary, Jim Macdonald, Vice-President, Lain Williams, Chaplain.

ORGANIZATIONS

EDITOR—Janice Ingram

Organizations give each student the opportunity to express added interest outside the classroom. Honorary organizations such as Honor Society, Quill and Scroll, Key Club, and Thespians give recognition to those with outstanding abilities. Various clubs, the band, and the chorus are vital additions to East. Student Council and the publications show industry and originality. East's many organizations give students the opportunity to enrich their school life.

As elected representatives of the student body, the STUDENT COUNCIL served East High in many ways. Calendars announcing events of the month were distributed to all classrooms. Committees composed of homeroom representatives and club presidents performed many duties. The bulletin board was decorated each month with articles of interest to the students, the lunchroom and halls were kept in order by monitors, and the annual talent show, a review of students' talent, was produced.

Commissioners heading committees also planned assemblies throughout the year. This busy year ended as new representatives were elected in an enthusiastic campaign.

During the past year the MUSTANG staff under the direction of Miss Margaret Said worked hard to produce the yearbook. Throughout the summer members of the annual staff solicited advertising. Promotion of the annual sales was accomplished by a "way out" campaign of spacemen and flying saucers. All worked hard to put everything in order and meet the deadlines. With drive and co-operation the final production came into being.

Through monthly issues of school news the members of the ROUND-UP staff have kept the student body well-informed. The paper, however, presented more than just facts as it extended to give personal opinions on such subjects as making college choices, and having homework on weekends.

Other staff members perform duties such as soliciting advertising patrons. The business staff was successful in this and other tasks. Mrs. Iola Headstream not only advised the editors but taught mechanics of journalism to the reporters.

"Create" was the key word of the APPRENTICE as it encouraged students to compose essays, poems, and short stories. A campaign centered around the cartoon strip "B. C." solicited funds from the students.

This publication was an example of the originality and talent of East High's students. Mrs. Barbara Olds and the APPRENTICE STAFF worked hard to choose the best works and edit them properly.

The QUILL AND SCROLL is an international honorary society for high school journalists. The members were selected from the three publication staffs at East High. To qualify, members must be in the top one-third of their class and outstandingly active on the publication staff they serve. A tea for the new members was given by the old members after the spring induction. The QUILL AND SCROLL encourages appreciation and participation in the field of journalism.

HONOR SOCIETY

MISS WILLS
Adviser

Members of the HONOR SOCIETY are chosen, on the basis of their scholarship, leadership, character, and service. The inductions, held in the spring and in the fall, were confined to fifteen per cent of the senior class.

The duties of these members included such activities as presenting honor roll ribbons to those deserving students and tutoring classmates weak in certain areas of their studies. Selling valentines and promoting a candy sale were money raising projects contributing to a scholarship which was awarded to a deserving Senior.

Thus, the HONOR SOCIETY was successful in promoting scholarship, rendering services to the school and community, promoting honesty, and encouraging students in the continuation of their studies.

HONOR SOCIETY members are: FIRST ROW: D. Owen, B. Wheat, P. McDowell, P. Sewel, P. Laws, J. Sofge, P. Wright, B. McMillan, L. Williams, D. Stein, D. Rudner. SECOND ROW: C. Hines, F. Gragg, L. The East High MUSTANGS entered the 1967 football season with high aspirations for victory. 1967 was the first year of EAST's participation in the Memphis INTER-SCHOLASTIC Athletic Association, whose league pitted EAST against opponents of similar caliber. The new league divisions made for closer, more competitive games and proved themselves a boon for fans and players alike.

East scored sparkling victories over Lester and Kingsbury and battled Tech to a 6-6 tie. The outcome of the Trezevant game was in question until the final seconds, as EAST marched a thrilling 60 yards toward a near come-from-behind victory. Although plagued with injuries throughout the season, with a little more luck the MUSTANGS would beyond a doubt have surpassed fans' greatest pre-season expectations.

Mustangs map pre-game strategy.

Although the MUSTANGS suffered a disappointing season, the team was afforded some memorable moments. At the opening of the regular M.I.A.A. League play, East initiated a defensive press, under the guidance of Coaches Ammer and Barden. The team showed remarkable improvement against Tech, losing by a single point on Tech's own court. With the Mustangs' press perfected and the blazing shooting of top scorer Charles Bradley, the team came from behind to whip Trezevant, who at the time was 2nd in the division. The powerhouse Frayser and Catholic teams, however, brought to a rapid halt the amazing success of the Mustangs, and, having lost its momentum, the team never regained its former prowess.

Charles Bradley was East's big gun all season, boasting over 23 points per game. He was honored at the close of the regular season by being selected All-Memphis by the *Commercial Appeal.*

Hoehn charges through the opponents' defense.

The East Junior High Football team, led by quarterback Woody Phillips, had a disappointing season but gained valuable experience on the gridiron. Returning next year for the Ponies will be quarterback Phillips and leading pass receiver Charlie Leonard; however, most of the first string players will be advancing to senior team ranks, bolstering the line and backfield of the 1968 Mustangs.

Leonard goes for two more points.

Under the strong guidance of Coach Jimmy Duncan, the 1967-68 East High Ponies boasted a fabulous winning season. The team was defeated by only three teams in the league, and then only by narrow margins. Many of this year's players will be returning to the team next season. The basketball future at East High School does indeed look bright as this year's junior high players move up the ranks, eventually to the varsity squad.
